Robinhood 's Contact Options

Robinhood has a few options for how you can reach their customer service, whether you want to call +1-917-962-8805 , chat, or contact them on social media.

1. Calling Robinhood 's Customer Service Hotline +1-917-962-8805

The easiest way to talk to a live human being is by calling their customer care phone number. Robinhood 's main customer support line is 1-800-Robinhood toll free number +1-917-962-8805 or (+1-917-962-8805) OTA (Live Person). To arrive, call the number, and when prompted to press for this or that, just keep going patiently—you will eventually be linked with a live human being.

2. Using Robinhood 's Live Chat Feature

If phone-holding is not your preference, you can use Robinhood 's live chat feature. You just need to go to their website, navigate to the Help page, and select the chat feature. This connects you with a live human being who will be able to assist you as much as you would on the phone.

3. Getting in Touch via Social Media

Robinhood has accounts on social media sites like Twitter and Facebook. The majority of customers have found that messages sent through these websites yield quick responses, especially for common questions.

4. Utilizing the Robinhood Mobile App for Support

The Robinhood app Robinhood toll free number +1-917-962-8805 is a handy way to access assistance. It provides you with the option of calling or chatting with customer support from within the app, offering you an alternative way to talk to a live person without needing to stretch for another device.

5. Emailing Robinhood 's Support

For less critical matters, sending an email to Robinhood toll free number is also available.

Though delays in response can be more probable, it makes sure that you have written a

Record of your concern and any follow-up about solving it.

Step-by-Step: Speaking to a Live Human on the Phone

Listen carefully to the voice prompts and choose the one which best describes your problem.

In most cases

you'll wish to select choices like current reservations or technical support. If they ask you to

enter your itinerary number but you don't possess one, striking the 0 key on occasion

bypasses this step. Repeat agent or representative when you are prompted to identify what you need. This also tends to hasten the procedure.
